AI Recruiting Search Instructions
General Manager / Market Partner

Objective

Build an ongoing pipeline of high-quality external candidates for our General Manager / Market Partner role. This is not a traditional office management position. We are looking for entrepreneurial leaders who recruit, train, coach, personally sell, and build high-performing commission-based sales organizations.

Step 1 – Target Industries

Prioritize Roofing Restoration, Solar, Pest Control, Home Improvement, Windows, Siding, Gutters, Foundation Repair, HVAC, Garage Doors, Exterior Remodeling, Building Materials, Industrial Sales, Construction Equipment, and Logistics. Consumer services

Step 2 – Target Titles

Search for Sales Manager, Branch Manager, Market Manager, General Manager, Operating Partner, Regional Sales Manager, District Manager, Area Sales Manager, Team Leader, Territory Manager, Branch Director, and similar leadership roles.

Step 3 – Behavioral Keywords

Use keywords such as: recruited salespeople, built sales team, hired, sales coaching, field coaching, ride-alongs, outside sales, door-to-door, canvassing, prospecting, commission sales, territory expansion, market development, launched new branch, opened market, scaled organization, P&L; responsibility, startup, builder, player-coach, ownership mentality, leadership development.

Step 4 – AI Search Prompt

Find candidates who have successfully built, recruited, trained, and led commission-based outside sales organizations. Prioritize leaders who remain active in field sales and coach through ride-alongs rather than managing exclusively from an office. Strong preference for experience in roofing restoration, solar, pest control, home improvement, HVAC, siding, windows, or other direct-sales industries. Candidates should demonstrate recruiting, hiring, coaching, territory expansion, market development, P&L; ownership, and entrepreneurial leadership. De-prioritize candidates whose backgrounds are primarily inside sales, retail management, customer service, or corporate administration.

Step 5 – Candidate Filters

Strong candidates have hired and developed teams, led by example in the field, succeeded in commission environments, built new markets or branches, and developed future leaders. Avoid candidates whose careers have been primarily administrative or office-based.

Weekly Deliverables

Source 100–150 prospects, contact 50–75 candidates, complete 15–20 screening conversations, identify 8–10 qualified prospects, and present 3–5 strong candidates to leadership each week.

Success Standard

Our goal is not to hire managers—we are hiring builders. The ideal candidate can enter a new market, recruit a team, knock doors alongside them, create accountability, and grow a profitable business with an ownership mindset.
